### How it all works

In the morning **before school** children can arrive anytime till 8:15 am to enjoy a morning of exclusive play (not open to public, so just the OSHC children are in attendance) and we will take them to school in our buses.

In the afternoons for **after school care** we collect the children from their school either by foot (St Marks) or by bus from their classrooms or from a predetermined pick up point at the school. They then get to enjoy a fun afternoon with us with exclusive use of the Playland (not open to public, so just the OSHC children are in attendance) and with a variety of activities and time to do their homework. You are free to pick them up any time before 6 pm.

During **vacation care** we open at 6:45 am and children can be dropped at Chipmunks for an exclusive play before 9 am, we then take them on excursions and will return to Chipmunks by 2:30 pm for another session of exclusive play in our Playland and you can fetch your child from Chipmunks by 6 pm.
